

## Breakdown of Passes

**The Daily Pass** can be filled out on a white guest card, emailed, or faxed by the member to authorize guest admittance. These passes can be for one day or up to four consecutive days. The guest will get the color of the day or a multi-day pass depending on how many days are specified. This will allow the guest access to all facilities. All guest names must be listed on the pass.

**The Call-in Pass** option is available for one day only, Monday–Thursday. The guest will receive the color of the day and will be allowed access to all facilities. Guests may not bring in guests that are not listed on the pass.

**If a Junior member (under age 23) leaves a Daily Pass, the guest will be issued a Red Pass only.**

**The Permanent (Red Pass) is a form filled out by the member to allow guests and service providers to go directly to the member's home only. The guest will be issued a red pass and may not use the facilities.**

**The Contractor Pass, available at the office, must be filled out by the member to allow the contractor to gain entry. When a contractor enters, he or she will be issued a green pass which allows the contractor to go to members' homes and to use only the restroom facilities at Harting Park, the Lodge, Quarry Park, the Main Marina, and the South Gate Marina.**

**The Amenity/RFID Pass, available at the office, must be filled out by the member. Only six amenity pass holders are allowed. It is up to the member to decide who will receive the amenity decal and RFID tag. The information needed on this form includes amenity pass holder names and their vehicle information (year, make, model, color, and license plate number) and will authorize your amenity pass holder to receive an amenity decal and RFID tag at a cost of \$35 renewed annually. All decals and RFID tags must be permanently affixed to the registered vehicle's windshield. If an amenity pass holder enters the LSA in a different vehicle without the amenity decal and RFID tag, he or she will be issued a color of the day pass one day at a time.**

**The Realtor Pass must be filled out by the member. This allows the listing agent/broker to let in clients. Realtors are given a green contractor pass and are logged in at the main gate. Realtors are not allowed to use the facilities; they are only allowed to visit them for showing purposes.**

**The Courtesy Pass is available to prospective buyers. This is a two-hour pass. The guard will make a copy of the pass and the prospective buyer's driver's license after the pass is filled out. A bright pink pass will be issued to the prospective buyer.**
