Purpose of this class is to teach the toddlers to be comfortable in the water so they will be ready for the next class, beginners. **Parent must be in water with student.**

Beginner – Ages 5 and up. Student learns the basic swimming skills (i.e., going under water ff bf crawl stroke) to move to the next class must be able to swim across the pool.

Advanced Beginner – Ages 5 and up. Student will learn front crawl, back crawl and whip kick. To go to the next class, student should be able to proficiently swim the length of the pool in each of these areas.

Intermediate – Student builds their endurance; learn breaststroke and sidestroke. To advance to the next level must be able to swim 50m (2 links) of each stroke without stopping.

Advanced Intermediate – Continue to build their endurance and learn flip turns, butterfly and how to do an IM.

If you are unsure of the student's abilities, pre-testing will be done on the first day of lessons and the student will then be placed in the appropriate class.
